

LUX SA2.0

LUX SA2.0

STRONG AND ATTRACTIVE

VinFast Lux SA2.0 possesses an exterior with perfect proportions: a large wheelbase, a powerful and wide bonnet facing forward, creating a car full of the best components.

PREMIUM SAFETY FEATURES

Ventilated disc brakes, ABS, EBD, BA, ESC, TCS, HSA, ROM, parking assist sensors...

SIGNATURE DESIGN

Featured at the front of the car is a chrome V-shaped logo placed on a black background, a decorative strip of LED lights radiating from the base of the logo across the front of the car brings a strong light effect, creating more mystery for the car. In addition, the asymmetrical chrome bar on the left grille cleverly form a "F" shape in the VinFast word, creating a distinctive mark of VinFast automotive products.

MODERN LIGHTS

Led strip lights decorated with strong horizontal light effects, combined with navigation lights and turn signals, bring a very harmonious, smooth and elegant look. The large headlight is designed to be lowered and hidden in the inlet, making the LUX SA2.0 become full of pride and mystery.

LARGE SPORT WHEELS

Large molded rims of up to 20"(*) with 7 strong and impressive single spokes and a distinctive V-logo symbol at the center bring a youthful, stylish and sporty image.

* Premium Version

10.4" TOUCH SCREEN

In the central area is the heart of the interior, the 10.4" touch screen, where customers can choose to display beautiful pictures of Vietnam.

AMBIENT LIGHTS

LED ambient lights stretch in the cockpit to create a perfect connection from the center console to the door, highlighting soft shapes.
